Quicksand Released 2009

Big Rude Jake's newest release explores contemporary twists on popular music forms from decades ago. The overall sound is relaxed and contemplative. The musical arrangements often involve reduced instrumentation, with some tracks featuring Jake on guitar and vocals alone.

Butane Fumes and Bad Cologne Release Date: 1993

Mixes various traditional styles, with a heavy emphasis on traditional jazz, swing, and blues. Powerful lyrics in the tradition of Berthold Brecht and Noel Coward.

Blue Pariah Release Date: 1996

Alternative swing, or Swing Punk.

**Big Rude Jake (The self-titled CD)
Released internationally on Roadrunner Records in
1999**

Now only available from the Artist or on I Tunes.
Sometimes referred to as “Defiance” by fans.

This is the alternate cover for the above CD

**Live Faust, Die Jung
Released 2001**

This is a departure album for the artist. It combines folk blues and jazz with 60's soul and 70's pop. The music is not swing, or traditional jazz in its core.
